RE: Paul Van Engelenhoven

To Whom It May Concern:

I am writing this letter to you regarding Paul Van Engelenhoven.

First, my company is a property management/investing company located here in Steamboat Springs. Our portfolio is about \$36,000,000 located in the Steamboat Springs area.

I have worked with Paul for five years.

Paul is hard-working; knowledgeable; empathetic; and always working on our side for our company's insurance needs.

Paul has been in the business long-enough to give him invaluable knowledge about the insurance industry.

Finally, he has owned several businesses. So he values and knows what it takes to run your own snow.

Thank you very much.

Respectfully Submitted,

Jonathan W. Sanders
