*Dear Fellow Consumer:*

*My company is an interior design company located in Steamboat Springs. We have been in the Steamboat Springs area since 2002 working with hundreds of clients.*

*My insurance portfolio both commercial and personal has been with Paul for several years.*

*I would recommend Paul to anyone who is looking for change in their insurance professional.*

*Paul is knowledgeable; empathetic; and always working on our side for our company's insurance needs. He has even assisted me with insurance policies where he was not the agent of record.*

*Thank you.*

*Best,*
